

The diagram illustrates a 3000x3000 pixel image. The top horizontal dimension is labeled 3000 PIXELS. The left vertical dimension is also labeled 3000 PIXELS. The image is divided into three horizontal sections: a top section of 500 PIXELS, a middle section of 2000 PIXELS, and a bottom section of 500 PIXELS. The top section is further divided into three vertical sections: a left section of 500 PIXELS, a middle section of 2000 PIXELS, and a right section of 500 PIXELS. The middle section is labeled ODV = 3.0. The bottom section is labeled ODV = 1.2. A dashed line labeled A is positioned between the top and middle sections, and a dashed line labeled B is positioned between the middle and bottom sections. An arrow labeled TRANSPORTING DIRECTION points to the right.
